

Dear Heavenly Father,

Thank you for the New Year. Please take care of family forever and me too. Make there be world peace. Bless all the children who are hoping for life, so help the doctors and nurses to care for them. Please give food to the people who have none.

In 2010, please help me to appreciate the gifts that I receive. Also help me to be obedient and give me the skills of stamina, courage, experience and obedience. And my last words are, 'Help me to be a good citizen'.
