CHRISTMAS NEWSLETTER

Cold Weather Warning

In the event of adverse weather conditions, please find listed below a new system that has been set up to alert parents if the school is closed or will be closing early.

To check to see if the school is open the new Open Check service can be viewed on-line at <http://map.lqfl.org.uk/opencheck/default.aspx?la=303> You will need to scroll down the schools to select St Joseph's.

This link has also been included on the councils' website on all pages under the 'Schools and Colleges' section. If there is a period where schools are likely to be closed due to inclement weather or other widespread unforeseen events then an update will also be put in a prominent location on the front page of the Bexley website with a link to the Open Check site.

For parents without access to the internet, the status can be checked by calling 0208 408 7508 and keying in our DCSF code which is 3033502. Details of this will also be put on our website.
